

Roll of the Incorporation of Masons 1824

The following roll comes from Pages 111 to 112 of the "Sketch of the Incorporation of Masons" and is preceded by the following:

"I now annex a List of the Members of the Incorporation who appear on the Roll for the year 1824. It will be seen that many of them do not appear in the preceding List of Builders of that year. No doubt a number would be dead, although the names had not been removed from the Roll ; others may have retired from building and engaged in other matters, and some may not have reported what buildings they were erecting, or how many hands they employed that year. It will also be observed, that the names of some in the preceding List of Builders do not appear in the Incorporation Roll of 1824. The reason for that is, that as they were building outside the ancient royalty, they could not be compelled to enter the Trade, and some of them did not, such as Alex. Garden, &c."

The Sketch of the Incorporation of Masons gives the names of builders in Glasgow up to about 1824 and also the names of the Lord Provosts of Glasgow and is worth using if researching builders etc. in the City or surrounds.
